SCBO Hardcopy Subscription

As of July 1, 2008, SCBO will no longer be published in hardcopy. With the advent of online SCBO over ten years ago, hard copy subscribers began switching their subscriptions to take advantage of the internet as a less expensive, more efficient way to access SCBO. At this point, hard copy subscriptions began to decline. In September 2007, the Division of Procurement Services decided to provide online SCBO at no charge, & hard copy subscriptions declined even further. It has now become cost prohibitive to provide SCBO to subscribers in the hard copy.

If your subscription expires after July 1, 2008, you will be receiving information about how the time remaining on your subscription will be handled by the Materials Management Office.

SC Business Opportunities will continue to be available online at no charge at
http://www.mmo.sc.gov/MMO/ops/scbo_online/MMO-scbo-online.phtm

ARCHITECT / ENGINEERING SERVICES

SCBO Notes referred to in State Agency advertisements appearing in the Architect / Engineering Section of SCBO can be found at the end of this issue. Please verify requirements for non-State agency advertisements by contacting the agency / owner.

NOTICE TO PARTIES INTERESTED IN DESIGN / BUILD PROJECTS

The South Carolina Department of Transportation (SCDOT) requests qualifications from interested parties experienced in all phases of bridge design & construction for the purpose of designing & constructing bridge replacements on secondary roads located in Cherokee, Chester, Chesterfield, Fairfield, Lancaster, Union, & York Counties in SC. SCDOT will be using the design-build method of contracting for this federal-aid project. The scope of work for this project will include design, right of way acquisition, construction, & construction engineering & management. The design work will include, but not be limited to, surveys, geotechnical exploration & design, hydraulic design, roadway approach design, seismic design, foundation design, substructure & superstructure design, & permitting along with any other work that may be necessary to complete the project. Community relations & right of way acquisition services will also be required. Construction will include, but not be limited to, all necessary roadway work & bridge work, removal & disposal of existing bridges & their appurtenances, drainage, utility coordination, erosion & sediment control, foundation work, substructure work, superstructure work, permanent & construction signing (including detours), pavement markings, & traffic control. Construction engineering & management, including quality control, will be the responsibility of the contractor. The contractor will be responsible for cross-hole sonic logging testing of all drilled shafts &, if required by design, dynamic & static load testing of drilled shafts & piles.

In evaluating qualifications, SCDOT will consider Management Experience & Approach (30%), Experience of Key Individuals (30%), Past Performance (30%), & Quality Control Plan (10%). Based on the above criteria, SCDOT will select

the design-build teams who will be invited to submit a response to the Request For Proposals (RFP).

Interested parties may obtain a copy of the Request For Qualifications at no charge. In addition, for a non-refundable fee of \$10.00, interested parties may obtain a CD containing electronic copies of a list of the bridges that are candidates for replacement, a location map for each bridge, the structure inventory & appraisal sheet for each bridge, & photographs of each bridge. It is anticipated that some of the bridges may be deleted from the project prior to the time that the RFP will be issued. Requests for the above information & other expressions of interest should be made to Barry W. Bowers, P.E., Structural Design Support Engineer, 955 Park St., Rm. 427, Columbia, SC 29201, or PO Box 191, Columbia, SC 29202, (803) 737-4814, fax (803) 737-0608, & e-mail bowersbw@scdot.org. Interested parties shall submit ten (10) printed & bound copies of the qualifications & one electronic copy of the qualifications (in PDF format) to Wendy Hollingsworth, Manager of Federal Procurement, 955 Park Street, Room 101, Columbia, SC, 29201, or PO Box 191, Columbia, SC 29202, no later than 2:00pm, March 25, 2008.

**JOINT LAND USE STUDY UPDATE
FOR SHAW A.F.B.
CITY OF SUMTER & SUMTER COUNTY**

The Sumter City-County Planning Commission is soliciting proposals from qualified consultants to prepare & deliver a Joint Land Use Study (JLUS) for Shaw Air Force Base, the City of Sumter & Sumter County, SC.

The Shaw-Sumter community has prepared & adopted two previous joint land use studies: 1) a joint land use study for Shaw in 1993 & 2) a joint land use study for Poinsett Electronic Combat Range. Due to a series of factors, the community proffers that an update of the 1993 JLUS for Shaw is warranted.

The selected consultant must demonstrate qualifications in comprehensive land use planning with particular emphasis on local government & military base planning & previous experience with joint land use studies. The proposal should provide background on assigned members of the consulting team, with emphasis on previous experience with JLUS. It is expected that the project will be completed within 12 months of any Notice to Proceed.

The selection criteria are:

1. Experience, qualifications, & technical competence in the types of work required to complete the task (30%)
2. Past performance on projects of a comparable nature (20%)
3. Familiarity with the Sumter community & region (5%)
4. Relevant experience & qualifications of specific personnel to be assigned (25%)
5. Demonstration of consultant's approach to performing the work including an indication that the Sumter JLUS will be a priority project in determining specific staff scheduling & performance (20%)

Proposal format:

1. Letter of interest, name of organization & project contact information
2. Current resume of qualifications
3. Direct response to the criteria defined above.
4. A summary of an understanding & approach to the project.
5. Description of experience including a list of 4 relevant projects with reference contacts.
6. Any other information that will assist the Planning Commission in its decision
7. SF 2543 & 255 forms for primes & subs

One original & ten copies of the proposal & qualifications submission should be mailed to:

The Sumter City-County
Planning Commission
George K. McGregor, AICP, Director
PO Box 1449
Sumter, SC 29151

or delivered to:

The Sumter City-County
Planning Commission
George K. McGregor, AICP, Director
12 W. Liberty St.
Sumter, SC 29150.

Submission must be marked on the exterior of the package "Request for Proposals – Sumter / Shaw JLUS" & received no later than 5:00pm, on March 21, 2008. No faxed or email submissions will be accepted.

Direct inquiries to George K. McGregor,
gmcgregor@sumter-sc.com or (803) 774-1606.
